2019 Regional Education and Research Center Symposium
Hosted by the University of Cincinnati ERC
Occupational Safety and Health in Disaster Response

Event Details
Date/time: March 22, 2019, Symposium 8:30am-4:30pm
March 23, 2019, Group tour of Cincinnati Fire Museum at 10am

Location: University of Cincinnati, Kowalewski Auditorium 140

About: The symposium is sponsored by the NIOSH ERCs at the University of Cincinnati, University of Illinois at Chicago, University of Kentucky & University of Michigan. The event consists of two sessions on research and practical applications in disaster response, a keynote speaker, poster session, and tour of the NIOSH emergency response van.

Keynote: Aubrey K. Miller, MD, MPH
Dr. Miller is a Captain in the US Public Health Service, at the National Institutes of Health (NIH), and is board certified in Occupational and Environmental Medicine. He is currently the Senior Medical Advisor to the Director of the National Institute of Environmental Health Sciences (NIEHS). He currently leads the NIH Disaster Research Response (DR2) Program which focuses on improving national and international disaster research capabilities through enhancing policies, infrastructure, training, and integration of stakeholders, especially academia and impacted communities.
